The college also runs three distance learning centres of open universities viz, Maulana Azad National Urdu University, Hyderabad, Yashwantrao Chavan Maharashtra Open University B.A Marathi medium and Yashwantrao Chavan Maharashtra Open University B.A Urdu medium. College has recently acquired ISO 9001: 2015 Certification .

WHEREAS:

Sun & Ocean Group is India's one of the fast growing group. It is established in the year 1994 aiming to give employment to the youths of rural area and give quality products to Indian farmers. Sun & Ocean began its contribution to Indian Farming by taking modern technology to the farmers. Company's farm inputs business activity offers a wide variety of products and services that covers almost every aspect of agriculture. These include manufacturing of Insecticides, Fungicides, Weedicides, Biopesticides, Biofertilizers, Micronutrients, 100% Water Soluble Fertilizers and Bio & Organic Fertilizer.

The backbone of Sun & Ocean's business is an extensive distribution network of more than 1000 outlets all over India. This enables it to reach its products and services to farmers even in the remote corner of India. The network is serviced by qualified personnel who offer farmers on the field advice. Over the years group commitment to quality has won the trust of the farmers. Realizing the need for superior technological capabilities and continued support to the farmers, Company has set up a well-equipped, modern Agri-technology Research Laboratory.

Company enjoys international renown for the standard of its services, based on its vast experience and its commitment to quality and excellence. Our group has received an ISO 9001-2000 for quality & ISO 14001 for environmental safety management. The global attitude to the pest control is changing rapidly preventing pest resistance, safety to users, environment and beneficials are the key issues in the development of pest control today.

Sun & Ocean intend to play a role in this global movement towards eco-friendly Biopesticides and Biofertilizers. In addition to expanding its own research and development, company is working in close collaboration with known companies across the world.

Relationship

This MOU relates solely to the intention of the parties, wherein **Azad Mahavidyalaya, Ausa** and **Sun and Ocean Agro Pvt. Ltd.** jointly work together and shall not extend to any other activity or create a partnership between the Parties hereto and under any law of any country. The parties agree that it is not their intention to share any loss or profit between them in their respective fields, except to the extent expressly provided herein.

Authority to Bind

No party shall act on behalf of the other party to contractually bind the other Party under the terms of this MOU having first obtained the other Party's written agreement.

PURPOSE OF MOU

The purpose of MoU is to **have mutual intentions to jointly work on projects required for industries and research needs**, with learned faculty of good industrial experience and promising students, jointly agree to exchange their expertise for mutual benefit and growth, on the areas specified below: Industrial Visits.

SCOPE OF THE AGREEMENT

Azad Mahavidyalaya, Ausa and **Sun and Ocean Agro Pvt. Ltd.** may offer opportunities to the other for activities and programs, such as guest lecture, training of students, and industrial visits that will foster a collaborative relationship.

Specific Activities: Specific activities and programs implemented under the authority of this MoU and as decided from time to time on the topics of mutual interest of **Azad Mahavidyalaya, Ausa** and **Sun and Ocean Agro Pvt. Ltd** shall be subject to availability of funds and the approval of each institution's authorized representatives. The institutions contemplate implementation of programs or activities such as:

(a) joint educational and training activities.

- (b) exchange of expertise, graduate, postgraduate students for lectures, and discussions.
- (c) exchange of academic materials and other information; and
- (d) special, short- term training programs.
- (e) industrial visits for students.

In witness whereof the Parties have caused this Agreement to be executed by their duly authorized representatives on this 6th Day of October 2021 for a period of five years.

**Summary Report with Outcome
for
One Day National E-Conference on
IPR**

Conference details:

This one-day e-conference was organized by IQAC on 03/08/2021. It was organized online using Microsoft Teams. The conference was about different types of IPR and their importance. Our patron, Dr. A. N. Shaikh, the Secretary of Hindustani Education Society AUSA, expressed his views regarding the significance of the IPR in our life. There were two resource persons for this conference. Dr. Betkar M. M. spoke on the types of IPR and the legal procedures of it. Prof. Raj Laxmi delivered her lecture on various types of IPR and their importance. Dr. E. U. Masumdar, Principal and organizer of conference delivered his presidential speech. Prof. T. A. Jahagirdar worked as co-organizer of the conference. Prof. M. B. Zade worked as convener of the conference and Dr. R.V.Suryawanshi worked as organizing secretary in the conference.

Outcome:

The aim of the conference was to familiarize the participants with the different types of IPR. As an outcome it is found that the participants who have attended this conference are found to become familiar with different types of IPR.

Summary Report with Outcome

Workshop details:

This one-day workshop was organized by IQAC on 02/09/2020. Dr. E. U. Masumdar, Principal of the college motivated the faculty members to prepare and submit the MRPs to the parent university. He taught us the techniques of MRPs.

Outcome:

The aim of the workshop was to familiarize the participants with the techniques of MRPs. As an outcome it is found that 14 faculty members prepared MRPs.

AZAD MAHAVIDYALAYA, AUSA

Summary Report with Outcome

workshop details:

This one-day workshop was organized by IQAC on 10/01/2017. The workshop was about different types of IPRs and their importance. Dr. E. U. Masumdar IQAC Coordinator, Rajarshi Shahu Mahavidyalaya, Latur and Dr. Bhaskar Munde Head, Department of Physics, KKM College, Manwat were the chief resource persons. They spoke on the importance of various patents in the academic world. Vice Principal Prof. T. A. Jahagirdar also addressed the staff members.

Outcome:

The aim of the workshop was to familiarize the participants with the different types of IPR. As an outcome it is found that the participants who have attended this workshop are found to be aware of different types of Patents and filing of patents.
