(vi) If more than one candidate has surplus, the largest surplus shall be first dealt with. If two or more candidates have equal surplus, the surplus of the candidate with the greatest number of votes at the first count at which the candidates in question have an unequal number of votes shall be first dealt with. When the number of votes credited to such candidates is equal at all counts, the Election Officer shall determine by lot which surplus he will first deal with.

(vii) The Election Officer or the person or persons authorized by him, shall not transfer a surplus when that surplus, together with any other surplus not transferred, is less than the difference,—

(a) between the votes of the candidate lowest on the poll and the votes of the next highest candidate; or

(b) between the total of the votes of the two or more candidates lowest on the poll and the votes of the next highest candidate.

Provided that, the exclusion from the poll of the aforesaid two or more candidates lowest on the poll shall not reduce the number of continuing candidates below the number of vacancies remaining to be filled.

(x) (a) If the votes credited to an elected candidate consist of original votes only, the Election Officer or the person or persons authorized by him, shall examine all the papers contained in the parcel of the elected candidate whose surplus is to be transferred.

(b) If the votes credited to an elected candidate consist of original and transferred votes, or transferred votes only, the Election Officer or the person or persons authorized by him, shall examine the papers contained in the sub-parcel last received by the elected candidate whose surplus is to be transferred.

(c) In either case, the Election Officer or the person or persons authorized by him, shall sort the transferable papers into sub-parcels according to the next available preference recorded thereon, shall make a separate sub-parcel of the non-transferable papers and shall ascertain the number of papers in each sub-parcel of transferable papers.

(x) If the total number of papers in the sub-parcels of transferable papers is equal to or less than the surplus, the Election Officer or the person or persons authorized by him, shall transfer the whole of each sub-parcel of transferable papers to the continuing candidates as per the next available preferences indicated thereon and shall set aside as a separate parcel so many of the non-transferable papers as are not required for the quota of the elected candidate. The particular papers set aside shall be those last filed in the parcel of non-transferable papers.

(xii) The number of papers to be transferred from each sub-parcel shall be ascertained by multiplying the number of papers in the sub-parcel by the surplus and dividing the result by the total number of valid transferable papers.

Equation :

$$\text{Value of Votes} = \frac{\text{Total No. of surplus votes} \times \text{Actual No. of Voting Papers transferred to the particular candidate}}{\text{Total No. of valid transferable Voting Papers}}$$

A note shall be made of the fractional part, if any, of each number so ascertained. If owing to the existence of such fractional parts, the number of papers to be transferred is less than the surplus, so many of these fractional parts taken in the order of their magnitude, beginning with the largest, as are necessary to make the total number of papers to be transferred equal to the surplus shall be reckoned as of the value

of unity and remaining fractional parts shall be ignored. If two or more fractional parts are of equal magnitude, that fractional part shall be deemed to be the largest which arises from the largest sub-parcel, and if the sub-parcels in question are equal in size, the fractional part credited to the candidate with the greatest number of votes at the first count at which the candidates in question have an equal number of votes shall be deemed to be the largest. When the number of votes credited to such candidates are equal at all counts, the Election Officer shall determine by lot which fractional part shall be deemed to be the largest.

(xiii) The particular papers transferred from each sub-parcel shall be those last filed in the sub-parcel and each paper so transferred shall be marked in such a manner as to indicate the count at which the transfer took place.

(xiv) If at the end of any count, no candidate has a surplus or if any existing surplus need not be and is not transferred and one or more vacancies remain to be filled, the Election Officer shall exclude from the poll the candidate lowest on the poll.

(xv) If the total of the votes of the two or more candidates lowest on the poll, together with any surplus not transferred, is less than the number of votes credited to the next highest candidates the Election Officer may at the same count exclude the aforesaid two or more candidates lowest on the poll :

Provided that, the exclusion of these candidates shall not reduce the number of continuing candidates, below the number of vacancies remaining to be filled.

(xvi) When two or more candidates each have the same number of votes and lowest on the poll, the candidates with the lowest number of votes at the first count at which the candidates in question have an unequal number of votes shall be excluded and when the number of votes credited to these candidates are equal at all counts, the Election Officer shall draw lots and the candidate in whose name lot is drawn would stand excluded.

(xvii) Upon the exclusion of any candidates, the Election Officer, save as hereinafter provided, shall examine all the papers credited to that candidate, shall,—

(a) sort the transferable papers into sub-parcels according to the next available preference recorded thereon for continuing candidates ;

(b) transfer each sub-parcel to the candidate for whom that preference is recorded; and

(c) set aside as a separate sub-parcel the non-transferable papers.

(21) If at the end of any count, the number of elected candidates is equal to the number of vacancies to be filled, no further transfer of votes shall be made.

(22) If on the exclusion of a candidate or candidates, the number of the then continuing candidates is equal to the number of vacancies unfilled, the continuing candidates shall thereon be elected and no further transfer of votes shall be made.

(23) The order of priority of election of elected candidates shall be the order in which they are severally elected. If, at the end of any count two or more candidates are elected, the order of priority shall be according to the number of votes credited to such candidates beginning with the greatest. When the number of votes credited to two or more candidates are equal or when the candidates are elected unopposed, the order of priority of election shall be in alphabetical order.

(24) Whenever any transfer is made, each sub-parcel of paper transferred shall be placed on the top of the parcel, if any, of papers of the candidate, to whom the transfer is made and that candidate shall be credited with a number of votes equal to the number of papers transferred to him.

(25) Non-transferable papers, except such as in the transfer of a surplus may be required for the quota of the elected candidates, shall be set aside as a separate parcel together with any parcel of non-transferable papers already set aside.

(26) On the transfer of the surplus of an elected candidate, all papers not transferred to continuing candidates and not set aside as provided in the preceding clause, shall be placed together in one parcel as the quota of the elected candidate and the parcel shall be marked with the name of the elected candidate.

(27) *Result of Election*—(i) After the scrutiny and counting is completed, the result thereof shall be reported forthwith to the Principal and Vice-Chancellor, respectively, by the Election Officer.
