- Gives impetus and motivation to the institution for planning, strategizing and continuous sustainable development of quality of the institutions.
- 
- Clarifies and provides a practical assessment of the institutions standing as a quality enhancing performer in the region of education.
- 
- NAAC acts as a moral booster to identify our opportunities and strengths while providing us a window for introspecting, examining and working upon our weaknesses.

### CONCLUDING REMARKS

This exercise is intended to make a self-analysis of the quality development of the institution during the year. The perspective plan and implementation for every year is to be documented and analyzed to get a cumulative index for the period of accreditation and reaccreditation. Any substantial changes / initiative in this direction is to be separately listed. The best practices in various areas can be listed as a separate annexure. The data will be used to create quality profile based on the total score index arrived at and this would help to map the institutions strengths and areas of improvement.

NAAC will provide feedback and a quality based on analysis of your inputs if you desire so.

Thank you for your participation
