Please arrange interactive sessions with outside faculty and give chance to learn new things through teaching and learning process. Also take exams to check our level of learning and understanding.
Digital technology methods
Use better graphics and visual media to engage students well. ... Try to reach every student and ask for their doubts. ... Make teaching a two way interaction
Yes
The teacher is very well.
To a great excellent
The teachers are very good . They always Supports and motivates us
.
Well
.
Work Hard
Good
No suggestion
1) Teachers should come on time . 2) Uniform must be compolsary to both teachers as well as students . 3) Sports activities must be held .

No
Best learning expeience
1) great teaching 2) great collage 3) great teachers
All good
Good learning and knowledgeable institute
Online studies were teaching well
Teaching and learning is the best in my institutions. Seminars, social activities and others activities are also very good, so no improvement is needed. The way of teaching and understanding of teachers is also very good so, there is no need for any improvement here. I think everything is perfect.
Very good
1) Try to reach every students and ask for their doubts. 2)Use better graphics and visual media to engage students well. 3) Encourage active and practical learning.
