### **3.2.1 - Institution has created an ecosystem for innovations and has initiatives for creation and transfer of knowledge**

An innovative ecosystem effectively transforms knowledge into products, processes and services that promotes economic growth, creates employment and improves the quality of life of people. For this College takes various initiatives in creating technologies and transferring knowledge. College has formulated an Incubation Committee to nurture, encourage and develop innovation and entrepreneurial skills among the students and research scholars. Earlier, the college was actively doing the similar activities under the different headings such as Entrepreneurship Development Schemes, Science Exhibition, Guest Lecture etc. College incubation committee conducts regular meetings and discuss about instills regarding incubations, research, innovations and tries to spread message among students and teachers regarding innovation, incubation etc. For development of ecosystem college tries hard for making collaborations, linkages and MOUs with industries and other institutes.
